CHEERLEADERS WERE WELL SELECTED

The Cheerleaders were selected by Mrs. Lemley, Mrs. Robinson and Mrs. Ireland. The selections have turned out to be good.

Since being selected the girls have been practicing, practicing and practicing. At the first game, on the big floor in town, they made a good showing before a large crowd. Several times now, the girls have cheered at games in town, and each time they get better and better.

GIRLS SKIRTS LOWERED

Girls on campus are very unhappy for they have to lengthen their skirts. They often wonder why they should have their skirts and dresses lowered below their knees like old ladies. Almost all over the states they wear mini-skirts and dresses, then why should Wrangell Institute dress like old ladies?

The girls feel like they are old timers against modern living. They hope they get to raise them a little bit.

Dear Mr. Lemley & Students,

Thought it was about time I wrote and thanked you for the school papers you sent me.

I'm glad you all thought of me when sending out the papers. I was very surprised to see who made it for the Student Council. Anyway, Congratulations!

This campus is so different from Wrangell. In a way I miss Wrangell, especially on Sundays.

Mr. Watkins was here last week. It sure was nice to see him again. It was surprising he recognized me. It was too good to believe.

The weather is terribly cold. It seems like it is even colder than it was at Wrangell. Sometimes I practically freeze just going from class to class.

So far we had snow here just twice. It didn't last long enough though. In fact it melted as soon as it touched the ground.

Well, I guess this is all I can tell you.

I'll be looking forward to getting another school paper.

A Former Student

Rose Fitka

P.S. Congratulations to all the Student Council. Hope you all have a very Merry X-mas and a Happy New Year.

GOOD TIMES AT CHRISTMAS

On Christmas Eve the students had a movie. When the movie ended, a few of the students passed out Christmas presents to the other students. They were very happy to receive their Christmas presents.

When the boys went to the dorm they ran to the door and went to their sections. Some of them were still running when they got to their sections. There they found more presents. Some of the boys got models, shirts, cameras, and guitars. Some of the boys traded with models. They really did have a good time on Christmas.

Who's Who?

Anna Willis

This girl is probably one of the prettiest girls at the Institute. She is a friendly and laughable girl. She has a loud voice just right for a cheerleader. She likes M.C. but it's a question to know if they are going together. She is in Group 1, and thinks school is fun.

WHO IS SHE???

Can you guess who this boy is? He is very attractive and is usually seen walking with F.K. Like most boys he likes to play basketball.

He is a member of the Student Council.

WHO IS HE???

Sports

Leonard Willoya

December was a busy month for sports. Basketball was played in town against the JV's and the Junior High players.

The A Squad from the Institute played several games in town but lost every game. The B Squad played one game against the Junior High and won.

On Saturday there will be another basketball game in town against the Junior High.

Co-ed volleyball was also started last month. The top teams are the Warriors, Nanooks and the Peanuts. Trophies will be given to the first team.

Campus Reports

Edith Oktollik

The principal's office reports that report cards will be due on the 17th of January, at the end of the working period. Report cards will be sent home to parents around this time. A letter from each student will go with his report home.

Three staff members from Wrangell Institute will go to Anchorage this month to attend the BIA conference being held there. The members are Mrs. Lillian D. Walker, superintendent; Fred G. Fisher, principal; and Tom Robinson, language lab teacher. They will be gone about a week.

During Christmas they took television pictures of students doing different things. The first pictures were of Santa Claus visiting the little kids Christmas Eve Night. At the Christmas Dinner, pictures were taken of most of the students eating and of the staff members on the serving line. Students looked at all of the pictures when the television was put in the library.

The week after Christmas, television pictures were taken in many classes. Some of the classes were primary, elementary, music, P.E. and others.

YEARBOOK PUBLISHERS ELECTED

At a meeting of the A-V Club on January 10, 1968, the yearbook publishers were elected. Russell Akers is editor and Margaret Igkurak is co-editor. Other publishers are: Alma Agnasagga, Ernie Phillips, Adolph Lewis, Anna Willis, Carol Moses, Susan Jeppson, Julia Savok, Sharon Clark, and Ray Charles.

The publishers will work on the yearbook everyday at 3:15 p.m. until the last of January. The book then goes to the publishers. It will get back to Wrangell in April.

DREAMS

We all have dreams that we would like to have come true. We spend a lot of our time sitting around dreaming about these things. We dream about having many friends. We dream about making all A's on our report cards. We dream of having a lot of money. We dream of being a pilot, a doctor, a nurse, a teacher or a mechanic.

Often we spend too much time dreaming and not enough time doing something about these things we want and the things we want to become. We need to act nice, study hard, study hard, spend money wisely, and learn things that will help us get the kind of job we want.

"The best way to make your dreams come true is to WAKE UP!"

BREAKING THE PINATA

On December 22, 1967, we had a Christmas party in Mrs. LaMarr's room. We had lots of fun. Mrs. LaMarr told us a story about how they broke a pinata in Mexico. It was a good story. After she told the story, we all had a chance to try to break the Santa pinata. After we all tried Mr. Dow tried, but he didn't burst it. Then Mrs. Dow tried, still she didn't hit it. Mr. Daly hit it twice and burst it, but not all of it. Then Mrs. LaMarr tore it, and we gathered on the floor. Some kids got prizes like rings from the pinata. After we broke the pinata, we had refreshments like apples, oranges, cookies, purple punch, and creme soda. When we finished the refreshments, we played games and played music. Around 2:15 p.m. we went to the gym for the Christmas program.

CHRISTMAS EVE IN WRANGELL

On December 24, 1967 every student went to the movie called Cinderella. It was a great movie! After the movie all the boys and girls who are thirteen and over had to stay in the gym, while the little boys under thirteen had to go to the girls rec room. In the gym the Student Council and the Dorm Council had to pass presents to everyone in the gym. Everyone had presents and they were all happy. After the presents were given out all the boys and girls ran to the dorms and looked on their beds for presents.

In the Boys Dorm all the boy started to open their present and the little boys started to play with their toys. They were really happy with their toys. Some of the little boys had cars, basketballs, football etc. All the older boys had some games and shirts.

NEW YEAR'S DANCE WAS FUN

The boys and girls in Wrangell Institute had a New Year's Dance. It was held in the gym. Twelve year olds and older went to the dance.

There was a sack of balloons hung up. When the dance was about over at 12:00 they pulled the balloons down and everybody had fun breaking them.

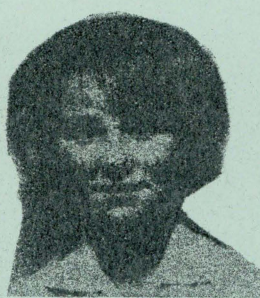

Everyone had fun at the dance. They also had refreshments. The refreshments were apples, juice, oranges, and sandwiches.

VOLLEYBALL GAME HELD IN TOWN

On January 4, 1968, Mr. Daly took 16 students to go play volleyball in town. The students were happy to go to town and play volleyball because they wanted to play very much with the students of Wrangell High School. The students from the Institute won the game. We hope to go play again.

CHRISTMAS AT HOME IS INTERESTING

I went home for Christmas. I left Wrangell Institute at 11:00 A.M. for Angoon. I stopped at Petersburg first for 10 minutes. Then I stopped at Sitka for half an hour. I got on a different plane in Sitka for Juneau. I reached Juneau at 4:00 P.M. I was suppose to reach Juneau at 1:00 but the plane was late getting to Wrangell. So I had to stay at Juneau overnight. The next day I left for my home town at 10:A.M. and reached there at 11:00 A.M. It surely was good to go home for awhile. I also had lots of fun.
